

A Conversation With
Senator Brendan Crighton

3rd Essex Senate District

Senator Crighton is supporting a proposal to help *all* Massachusetts drivers get a valid license.

On Tuesday, February 26, we'll meet Senator Crighton and discuss the bill, and other ways the Massachusetts government works to support immigrant communities.

A small group of students can stay for lunch, and learn about how we can educate the public about issues that matter. If you're interested, please sign up!
