Provides population benchmarks for nearly every other United States survey
2020 Census – It Is Safe

- Private information is never published, including names, addresses (including GPS coordinates), Social Security Numbers, and telephone numbers.

- The Census Bureau collects information to produce statistics. Personal information collected by the Census Bureau cannot be used against respondents by any government agency or court.

- Census Bureau employees are sworn to protect confidentiality for life.

- Violating Title 13 is a serious federal crime. Violators are subject to severe penalties, including a federal prison sentence of up to five years, a fine of up to $250,000, or both.
Cybersecurity—Your Data Are Safe and Secure

Cybersecurity Focus

• From the beginning when a respondent answers to the end when the data products are released, data are encrypted, safe, and secure.
• Follow industry best practices to protect our networks from external threats and secure data inside the network.
• Advanced ability to continually identify, protect, detect, respond, and recover from possible cyber threats.
• Continuously improve our security posture.
2020 Census – It Is Easy

- Four ways to respond in 2020
  - Online
  - Phone
  - Paper
  - Personal Visit by Census Employee
