Huiling Chen: BEST Corp

1) Our class website: <u>1234best.com</u>

We use our class website for resources sharing with teachers, tutors and students. It's helpful that students can see what the class covers even they cannot attend a class. And, they can practice anywhere when they have time and access to Wi-Fi.

2) Unit self-assessment checklist

I mixed this assessment checklist with Sarah's idea about "I understand or I don't understand' check mark in student notebook. Students love this assessment and we can have the higher level students help the lower level students using this list.

Unit 4. Self -Assessment

Please take a minute to complete this Self-Assessment with " $\sqrt{}$ ".
