

Freedom Trail

Group/Level:

Resources Needed: Camera/Phone

Areas/Functions/Skills: Reading, Writing, Speaking, Researching, Grammar Points (Present, Past)

Objective: Students participating in a Freedom Trail field trip will learn to do basic background research

Activities

Before the field trip students will select a historical landmark and find information about it.

At the trip, students will take pictures of their chosen landmark according to the previously researched.

Follow Up

Students will write a brief report to present in class. They will answer questions from their classmates.

If the class has a Facebook group, the photos can be uploaded and captioned in the order of the trail. Students will have them available for further reading and commenting outside of the class.

Modification/Expansion

All the pictures can be printed and a map can be assembled on the wall with the captions underneath.
