### Why Travel is Fun

Travel makes our lives better. **First, travel introduces us to new cultures.** It helps us to learn new things. **Second, travel makes us communicate in new ways.** We might use our phones to help us say new words. **Third, travel encourages us to try new foods.** Some foods are spicy and others are sweet. **In summary, travel opens our minds, we get to say some new words, and we eat new foods.** **Travel is great, so go do it now!**

\*Note: The **blue sentence** is a recommendation
