

Capstone Project Brainstorm

- *What topics most interested you this year?*
 - *Unit 1: Self-reflection & Self-advancement*
 - *Unit 2: Health & Wellness*
 - *Unit 3: The “Soul” of the US*
 - *Unit 4: Community Culture & Peace Studies*
 - *Unit 5: The Planet X*

- *What topic would you like to research further?*
Technological advances to help the planet
- *How can you share your research and studies with your community / peers?*
 - *What are the experiences that have most influenced you and why?*
 - *What do you want others to understand about you, your life, your community?*
 - *How can you best share your ideas with your greater community?*
 - *Potential ideas:*
 - *a song*
 - *A poem*
 - *A children's book*
 - *A puppet show*
 - *A video*
 - *A talk / presentation*
 - *A poster*
 - *A hands-on project to complete with the community at an event or location (Curtis Hall, JP Open Streets / Open Studios / Porchfest / Wake Up the Earth, etc)*

Write 1-2 paragraphs about something that you are interested in studying further and sharing with the greater ALP & Jamaica Plain community:

Conversation Club about books, art, ecology, wellness to improve speaking, writing and reading skills.

Thanks for your support.
